As part of the Montara Recovery Project, Linch-pin assisted PTTEP during the Montara WHP Commissioning by providing marine, logistics and permitting support including:

- Management of the vessel Southern Ocean and associated contracts.
- Design for back deck layout, grillages and seafastening.
- Engineering support for Ampelmann integration.
- Loadout management.
- Provision of Company reps, HSE reps and project engineers.
- Management of construction labour, scaffolding, welding, blasters and painters.
- Preparations for leak testing contractor.
